

Dibble Family & Event Center

Pick-Up & Delivery Dinner Service

In response to the national emergency and in support of our local community the Dibble Family & Event Center will begin a curbside pickup and delivery service of dinner meals.

Beginning this Tuesday, March 17th and going forward on Monday of each week for the foreseeable future the Dibble Family & Event Center will present a new menu from which our valued patrons, friends and neighbors can choose. Dinner meals will be available for individuals, families or businesses.

For special occasions or for something special after a long day, meals can be paired with available wines or beers. Those with special requests and dietary restrictions can be accommodated. Meal prep, pick-ups and deliveries will follow the evolving DOH and CDC recommendations.
