Every April, *The Office for Victims of Crime* leads communities in their observance of
National Crime Victims' Rights Week.

This year's theme is **Honoring Our Past and Creating Hope for the Future.**

We hope to celebrate the progress made by those before us, with a future of crime
victim services that are more accessible, inclusive, and trauma-informed.

Genesee County's program will focus on the 1987 DWI tragedy that struck the small community of
Pembroke. We will discuss the impact of that trauma and how those involved were able to work through
the heartbreak, as well as make positive changes for the future.

A case study will be presented from different perspectives to include:

Prosecuting District Attorney, Judge Robert Noonan

Pembroke School Teacher, Gregory Kinal

Family Members: Deputy Patrick Reeves, brother, and Patricia Reeves, mother

*Bonita Frazer, MS, CTS, FAAETS will wrap up the day with a presentation on the topic of
